

How do you plan for the unplanned, manage the unexpected and successfully conquer your hectic workplace and overflowing inbox?

Castlebreck and IBM Present:

A DAY IN THE LIFE WITH COLLABORATION

A presentation and day-in-the-life styled demonstration of collaborative solutions built on Castlebreck and IBM/Lotus software.

You've attended Lotusphere Comes To You and other events and seen the members of the Lotus Portfolio. See them come together as a day in the life unfolds.
